

Nationals Temple Newson Leeds, 2019

Dear Athletes,

Unfortunately the SW XC championship race at Bath had to be cancelled. The WSAA will be selecting runners from the county trials.

A special sorry to all the minors who would have run for the first time, we hope to see you on the athletics track in the summer.

We will be selecting the top 7 runners and filling the last place from either the county race or from special considerations given by each area. All letters will be posted on the county website. Could all runners please download their own copy, which contains all travel details etc. If you need to also hand in medical forms or code of conduct letters, again please download these, fill in and send to [apscrase@btinternet.com](mailto:apscrase@btinternet.com)

Could all school data controllers please download the letter for their Head Teacher regarding cost details.

Please do not hesitate to contact me if you have any queries.

Yours in sport

Andy Scrase
